

MILLFIELD

Uniform Guide and School Shop Information

The Millfield School Shop is located by turning left as you enter the school gates, opposite the north car park.

It offers a full and complete personal fitting out service for new and existing students. For new starters, appointments are available throughout the summer until the start of term. It is advisable to pre-book your appointment as early as possible; the shop gets very busy during peak times. Please telephone or e-mail to make an appointment to purchase school uniform: millfieldshop@millfieldschool.com tel. 01458 444380/444382

When fitting a child, we allow for growth but are happy to exchange items assuming it has not been named and is returned in the same condition it was purchased.

The shop operates personal accounts for all students during term time. Students may purchase items from the shop, add them to their account, or pay for them separately. All items purchased on accounts must have a signed "chit" from the student's housemaster/mistress or guardian.

Sixth formers may write their own chits to a limit of £40.00 per day. Any arrangements regarding expenditure limits for the Sixth formers, should therefore be made directly with your child.

The shop offers a comprehensive range of products for all boarding and day students. In addition to Millfield uniform and games kit, the shop stocks various types of equipment, leisurewear, footwear, toiletries, a large range of stationary items, greeting cards and gifts.

Uniform, games kit and other associated items can also be purchased via the school online shop:

<http://www.millfieldshop.com/>

Items purchased online can either be collected from the shop or sent to your home.

Name Tapes

Name tapes can be ordered from the School Shop in quantities of **144 or 72** (spares are always useful); please allow up to one week for delivery.

All items brought to school must be marked with woven name tapes which can be purchased through the school shop. The school shop will require the pupil's forename and surname to create the name tapes, please confirm with the shop when making your appointment.

Items which cannot be sewn should be marked with a permanent black or metallic felt tip e.g. contents of wash bag.
